

The Spa at The Mansion House is set in 250 acres of tranquil parkland at Wokefield Park in the Berkshire countryside.

Designed with you in mind, combining traditional luxury English interiors with a contemporary edge to create the perfect environment to relax and indulge. The Spa features a range of treatment rooms, including hair, nail and make-up studios. You can also unwind in the sauna, jacuzzi and steam room, allowing you to really make your time in The Spa your own.

Gerard's have been carefully selected for our skincare and body range, using natural ingredients and pure essential oils, each made from concentrated flower and plant extracts which can be tailored to individual skin types.

So whether you have a whole weekend, a day or just an hour, our aim is to provide you with a haven of peace and tranquillity, stimulate the senses, transform the body and evoke a feeling of overall beauty and wellbeing.
